

Employer Validator

Role overview

To validate and sign off on specific sector content for the lifecycle of a qualification.

To be involved, the individual must work for an organisation who has, or is likely, to employ students who have successfully obtained an approved Level 3 qualification.

1. An employer could be asked to be involved with a number of activities including

- | | |
|-----|--|
| 1.1 | Prepare for, attend and participate in meetings as requested by City & Guilds' |
| 1.2 | Check the qualification materials are showing the type of work that industry would expect when recruiting. |
| 1.3 | Check and validate qualification content and/or materials |

2. Expectation:

- | | |
|-----|--|
| 2.1 | Meetings are prepared for and attended as requested by City & Guilds |
| 2.2 | Check the qualification materials are showing the type of work that industry would expect when recruiting. |
| 2.3 | Check and validate qualification content and/or materials |

Scope and duration of activities will be clearly outlined during the contracting phase.
